HERZENSTEIN KILLED

Constitutional Democrat Shot Down
While Walking With

WIFE AND DAUGHTER

Took an Active Part In Deliberations of Lower House of Parliament, Wealthy and Idol of the Peasants.

St. Petersburg, Aug. 1.—The report of the murder of M. Herzenstein, a former member of the outlawed parliament, in which he was a prominent leader of the Constitutional Democrats, is confirmed. It turns out that he was assassinated at his country house, close to Terrioki, Finland, by men in the pay of the Black Hundred. Herzenstein was walking along the seashore with his wife and daughter when several shots were fired at him from an unoccupied building. He was hit twice and fell dead. His daughter was wounded in a hand. The murderers escaped.

A remarkable fact is that three hours prior to the murder a telephone message was received at a newspaper office from Moscow asking for news of Herzenstein and saying it was reported at Moscow that he had been assassinated.

M. Herzenstein was of Jewish descent and very wealthy. His attacks on the minister of finance in the lower house of parliament attracted widespread attention. He supported the Constitutional Democrat scheme for land expropriation. His family renounced the Jewish faith and became Orthodox Russians several generations ago. He occupied a prominent place in Moscow society and was the popular idol among the peasants.

HEAVY CANNONADING.

It Was In Progress at Sveaborg on Wednesday.

Helsingfors, Finland, Aug. 1.—Heavy cannonading was in progress at Sveaborg Wednesday, showing the fight for possession of the main fortification was still in progress. It was impossible from the shore to ascertain the exact situation. The only reinforcements which have arrived here are two companies of a Finnish regiment.

General Baron Saltza, commander of the Second arms corps, is on his way here from Vilstrand.

Thousands of persons watched the cannonading Tuesday night. It was an awe-inspiring spectacle.

MADINE CONTRADICTS.

Trunk Was Empty and Pictures Referred to In Bureau.

Pittsburg, Aug. 1.—Thomas Madine, former coachman of August Hartje and named by libellant as co-respondent, was the first witness in rebuttal when the trial of the Hartje divorce case was resumed Wednesday. Counsel for Hartje objected strenuously to all questions to Madine, but Judge Frazer admitted most of the evidence. Witness contradicted nearly every detail of detectives' testimony, telling that his trunk was empty and that pictures detectives said were in his trunk were in his bureau.

STANLEY SWINGS.

Executed Man Killed His Victim With an Axe in Latter's Kitchen.

Windsor, N. S., Aug. 1.—George Stanley was hanged at the jail here at 3:10 o'clock Wednesday for the murder of Freeman Harvie, an aged farmer of the village of Ellershouse, near Windsor, on Feb. 21 last.

The evidence at the trial showed that he killed Harvie with an axe while the two were drinking in the farmer's kitchen. It is the theory of those who investigated the case that Stanley killed Harvie for the purpose of getting possession of the property.

DESERVED HIS FATE.

Would-be Ravisher Driven Overboard of Boat and Drowned.

Cincinnati, Aug. 1.—When the steamer Mary M. Stanley was two miles from Gallipolis, O., early Wednesday, says a dispatch to the Times-Star, a negro entered the cabin of a lady passenger from Cincinnati and attempted to assault her. He was discovered and driven over the side of the boat by the captain. As no trace could be found of him it is believed he drowned.

RIDDLED WITH BULLETS.

Couple of Negro Coal Miners Shot by Loads From Winchester.

Sturgis, Ky., Aug. 1.—Two negro coal miners en route here from Providence were held up in the road near Rock Springs and riddled with bullets by two men with Winchester. One of the miners was able to make his way to town, though dangerously wounded. The other was brought in in a dying condition.

TRIED AND EXECUTED

Prompt Action Taken In the Case of Allen Mathis.

SOON TRIED IN COURT

In Less Than an Hour After Arriving From Louisville the Prisoner Was Convicted and Put to Death.

Mayfield, Ky., Aug. 1.—The hanging of Allen Mathis, the negro who criminally assaulted Miss Ethel McLain last Wednesday night, took place at 8 o'clock Tuesday night in a legal manner in the yard of the county jail. Fully 10,000 people were on the scene, but only a few hundred could see the execution, though almost the entire fence surrounding the scaffold had been torn down by the enraged citizens while the trial was going on. It was only fifty minutes from the time the jury was sworn in until the negro was pronounced dead.

Mathis arrived here at 6:40 o'clock Tuesday evening from Louisville in charge of Deputy Sheriffs Oscar Elmore and John Galloway and the militia company of Hopkinsville. The local militia met the train, and the negro was marched to the courthouse. Several attempts were made to seize the negro, and he was twice in possession of the infuriated mob. The soldiers quickly surrounded the negro, and a number of members of the Hopkinsville company were compelled to draw their guns and threaten to use them unless the mob fell back. The negro would have met his death by lynching, but the mob decided to let the law inflict the punishment after it proceeded that far.

The largest number of people ever seen on the streets of Mayfield were here Tuesday night, and there were rumors that another negro in jail from Hickman county, charged with the same offense, would be lynched, but it was understood that he had been spirited away.

Mathis was carried upstairs in the big court room before Judge Bugg, who was in readiness, and at 7:15 o'clock the jury had been selected and sworn in. The judge then asked the negro if he had anything to say. He said: "I want some one to pray for me."

The court appointed W. S. Foy, a local attorney, to represent the defendant, and after a minute or two in consultation it was agreed that Mathis should plead guilty.

When the judge asked him, "guilty or not guilty?" he responded "guilty."

The jurors were ordered to their room, and after being out twenty minutes, they returned with a verdict of guilty, fixing punishment at death.

ASSAILANT IDENTIFIED.

Negro Who Attacked Young Lady Shot In Front of Her Home.

Atlanta, Aug. 1.—Floyd Carmichael, a negro about twenty-two years old, who was identified by Miss Annie Poole of Lakewood, a suburb of Atlanta, was shot in front of the Poole residence in sight of his victim Tuesday afternoon by a posse which had captured him. After he had been shot there were cries of "burn him," but the county police, arriving at this time, prevented such action.

About 10 o'clock Tuesday morning, while returning from a visit to a neighbor, Miss Annie Poole, fifteen years old, daughter of J. L. L. Poole, was attacked by the negro and choked into unconsciousness. When the alarm was given a posse was quickly formed, but it was not until late in the afternoon that the negro was captured and brought into Miss Poole's presence, who immediately identified him. A volley of shots rang out and the negro fell dead.

ROLL TO BE READY.

Will Practically Be Made Up Before Convention Meets.

Austin, Aug. 1.—The Democratic executive committee meets at Dallas Monday, Aug. 13, the day before the convention assembles. Chairman Andrews has been informed there will be a number of delegates' seats contested. The committee will probably be in continuous session until the convention is called to order on the 14th.

The temporary roll will be made up before the convention assembles. Chairman Andrews expects to canvass the official vote Saturday. Blanks were sent to all county chairmen Monday to place returns on. A force of clerks will compile the temporary roll. As there will be a vast amount of figuring to do to arrive at a proportionate vote of each candidate in each county, the job of preparing the roll will be stupendous, but it is thought that it will be ready by the time the committee meets at Dallas on the following Monday. All that will then be left for the committee to do will be a comparison and verification of the tabulated roll.

PLENTY OF RAIN, BUT NO EAGLE

El Dorado, Texas, July 30, '06.

Editor Eagle:

Bryan, Texas.
Will you please change my newspaper address from Mesa to El Dorado.

I have been out here for a couple of months; have not suffered for rain but have for the Eagle.

MR. F. F. HOOPER DEAD.

Passed Away at His Home in Calvert Yesterday Afternoon.

Mr. F. F. Hooper died yesterday at 12:50 p. m. at his home in Calvert from internal injuries sustained in falling from a ladder while gathering peaches a few days ago, an account of which has previously appeared in The Eagle. The remains will be brought to Bryan today for interment and the funeral will be held from the H. & T. C. depot this afternoon immediately after the arrival of the 3:40 train.

Mr. Hooper suffered greatly from the accident and it was not expected that he would survive his fatal injuries even as long as he did. He was in excellent health when the accident happened, and its tragic ending has cast a gloom over the community where he lived and over his many friends in Bryan. Mr. Hooper was 63 years old and a good man held in much esteem. He was for many years a citizen of Bryan, in fact spent the major portion of his life in this city. He was a gentleman of genial disposition, energetic and successful in business affairs. As previously stated his family includes his wife and three children. Mrs. Fraser, Mr. Frank Hooper and Miss Bessie Hooper, all of whom were with him at his death.

Attention, Camp J. B. Robertson.

All members will meet at the H. & T. C. depot this afternoon at 3:30 o'clock to assist Camp Townsend of Calvert to bury their and our comrade, F. F. Hooper, who will be buried here from the depot immediately after the arrival of the train.

By order of B. F. Leman, Commander.
W. Gillie Mitchell, Adjutant.

A CARD TO THE PUBLIC.

I desire to express to the people of Brazos county my sincere thanks for the hearty support given me in the democratic primary election in my candidacy for the office of county attorney. It is my purpose to remain in Bryan where I will continue in the practice of law. All business placed in my hands will receive prompt and careful attention. My fees will be reasonable and your patronage will be highly appreciated.

Yours truly, J. G. Minkert.

ORIGIN OF STORY.

Due to Chalk Signs That Were Written on Box Cars.

New Orleans, Aug. 1.—That box cars with chalk signs written on them were the origin of the story of posters declaring death to foreigners distributed throughout Mexico is the statement of George Holmes, representing the St. Louis and Memphis Investment company, in New Orleans on his return from a trip through nearly every state in Mexico.

"This talk of danger to Americans in Mexico is absolute foolishness," Mr. Holmes said. "The only place where there is the least chance of trouble is in the state of Sonora, where conditions have been unsettled for several years. It is true President Diaz sent for the governor of Sonora and cautioned him to use every precaution on Sept. 16. I am able to give as true a statement about the alleged posters declaring all Americans in the country would be killed Sept. 16 if they do not leave the country before that. I am traveling through the country continuously. As is well known, the organization of railroad employees, which is antagonistic to members of this association, wrote on various box cars in large letters in Chattanooga: 'Death to the Gringos on Sept. 16.' Railroads, of course, scattered these cars all over the republic, and this gave rise to the poster story."

Battleships Collide.

Washington, Aug. 1.—Admiral Evans, commander in chief of the Atlantic squadron, telegraphed the navy department Tuesday that the battleships Illinois and Alabama collided in a fog while crossing Brenton's reef. He stated that no damage was done below the water line, and only superficial damage above.

PEONAGE IN FLORIDA.

Man From That State Not Recognized by His Sister.

New York, Aug. 1.—Another man returned from Florida to the East Side with a story of peonage in Florida and another letter has been received from a man there begging aid. There are fifty immigrants who are known to have started for the Florida camps in the last six months who have not been heard of since.

David Krill, who lived with his sister, Mrs. Jennie Abramowitz, came home after an absence in Florida of seven weeks. When he left this city for the turpentine camps he was in good health. When he came home his sister did not recognize him and attempted to drive him out of her flat. His back was black and blue and still marked with deep red scars where he said he had been whipped.

He had been taken to Jacksonville, he said, and from there to Maton. He was then carried to a camp in the woods, where there were huts and negro guards. At the end of two weeks, he said, he found that he owed the company \$24 above his promised \$12 a week. He was still strong and decided to escape. He ran away one night, and in the morning found that he was lost. Later in the day he was recaptured and beaten.

The next morning, while he was at work in the swamp, one of those with whom he had shared the company stores, slipped \$30 to him, which he said he had kept hidden in a boot. This man did not dare to escape, but he begged Krill to take the money and if possible get north, so as to tell of the horrors of the slave camp. That night when he saw that the guards were asleep Krill slipped through the lines and managed to reach a city. He worked his way as far as Baltimore and from there walked to his sister's home in this city.

Mrs. Bernard Sklut of 292 Cherry street received the following letter from her son dated Mobile, Ala.:

"I don't dare to give the exact place where I am. This is written at night and forwarded by a friend in greater danger than I am in. If he should be caught with it he would be killed, as others have been. I escaped and walked 100 miles in four days, when I was found and brought back and beaten. One thing I would say—that is, that the negroes would not do it if they were not afraid of the white men."

IS FIVE DOLLARS.

Per Capita Apportionment For Next Scholastic Year Declared.

Austin, Aug. 1.—At a meeting of the state board of education held Wednesday it declared a per capita apportionment of \$5 for scholastic year beginning Sept. 1, 1906, and ending Aug. 31, 1907. This apportionment is for 870,515 children of scholastic age in state and aggregates \$4,352,575. It exceeds total amount apportioned last year by \$159,351. The apportionment this year is 25 cents per capita less than last year, which is due to the fact that the last legislature increased the scholastic age, fixing it at seven to seventeen years, while before it was eight to seventeen. This has added 100,000 children to the scholastic population of the state.

BUFFALO CHOSEN.

Democratic State Convention of New York to Be Held There.

New York, Aug. 1.—The Democratic state committee voted to hold the next state convention at Buffalo on Sept. 25. Before the meeting of the state committee W. J. Conners of Buffalo said that the meeting of the Independence league Tuesday would not affect W. R. Hearst's chances for the gubernatorial nomination by the regular state convention.

"We will go ahead and nominate Hearst anyhow," said Mr. Conners. "The whole Buffalo delegation to the state convention will be instructed for Hearst. Nothing can prevent his nomination."

REFUSES TO RESIGN.

Sullivan Declines to Comply With Request of Mr. Bryan.

Chicago, Aug. 1.—Judge Owen P. Thompson of Jacksonville announces that in a letter dated July 27 William J. Bryan requested that Judge Thompson call on Roger Sullivan with a message from Mr. Bryan requesting that Mr. Sullivan, in the interest of harmony, resign as national committeeman from Illinois. Judge Thompson says he saw Mr. Sullivan Tuesday and delivered Mr. Bryan's message. Mr. Sullivan declined to resign as requested.

Judge Thompson thereupon made public a letter from Mr. Bryan declaring that National Committeeman Sullivan hold the office by fraud, and it is impossible for honest Democrats to act with Mr. Sullivan and a member of the national committee.

The charges of fraud brought by Mr. Bryan in connection with the selection of Roger Sullivan as Democratic national committeeman from Illinois are based on the action of the committee on credentials of the Democratic state convention of 1904 in unseating a number of delegates from Cook county and some contesting delegates, backed by the so-called Hopkins-Sullivan organization.

The action was bitterly contested, and later brought before the Democratic national committee by Mr. Bryan.

CLOSE THEIR CASE.

Judge Made Some Vigorous Remarks to Hartje's Counsel.

Pittsburg, Aug. 1.—Attorneys for Augustus Hartje somewhat unexpectedly closed their case Tuesday. Attorneys for Mrs. Hartje obtained an adjournment until Wednesday morning to prepare evidence in rebuttal.

The trial was marked by some vigorous remarks from the bench to the attorneys for Augustus Hartje when they sought to explain through Detective H. W. Muncey some discrepancy between the detective's evidence and that of Andrew Fischer, who became confused on cross-examination. Judge Frazer allowed the testimony to be given, but said that it was irregular, and declared that the irregularity that had been permitted throughout the case would have weight when the court made its decision.

Augustus Hartje took the stand and denied the blonde woman episode, and that he had offered Madine money to testify that a man was at the Hartje home alone with Mrs. Hartje while Hartje was away. Hartje admitted owning a house at which he was said to have visited Josephine Wright. He swore that he did not know the woman, and did not know the character of the house until it came out at the trial.

The much disputed Helen Scott letters were admitted as evidence. A lengthy and heated argument preceded their admission, which is regarded as a signal victory for the libellant. These are the letters purporting to be from Helen Scott to her sister, Mrs. Hartje, which counsel for the libellant assert prove that Helen was a go-between for Tom Madine, one of the coachmen correspondents, and Mrs. Hartje.

REASONABLE EXTENSION.

Several Requests Made Interstate Commission by Railroads.

Washington, Aug. 1.—A conference was held Tuesday between the interstate commerce commission and representatives of the Western Trunk Line association and various southern roads at which the railroad officials requested that a reasonable extension of time be given them to prepare their new tariffs, that the requirement of a notice of thirty days in a change of rates be eliminated, and that railroads be relieved from the publication of terminal rates and allowed to publish them only at the point where the charges originate.

Still Fighting.

London, Aug. 1.—A dispatch says fierce fighting prevailed Tuesday night at Sveaborg, Finland. The authorities apparently are paralyzed by the suddenness of the revolt. They are quite in ignorance as to which troops can be depned upon.

Cronstadt Cut Off.

St. Petersburg, Aug. 1.—Communication with Cronstadt both by telegraph and telephone is cut off.

CAMPBELL LEADS.

Lieutenant Governor and Railroad Commission Races Close.

Dallas, Aug. 1.—Up to midnight Tuesday night the following were the results from Democratic primaries: For governor these are the figures: Campbell, 72,619; Brooks, 57,844; Colquitt, 53,965; Bell, 52,432.

For Lieutenant Governor—Davidson, 86,475; Hill, 85,410.

For Railroad Commissioner—Williams, 81,659; Storey, 75,668.

For Congress—Second district, Cooper, 7,545; Brooks, 6,688; Fourth district, Randall, 10,652; Barrett, 9,403; Sixth district, Hardy, 3,894; Henderson, 3,833; Mays, 3,739; Sixteenth district, Smith, 7,316; Cunningham, 6,313.

The most notable change in the returns of Wednesday morning, so far as they relate to the contest for governor, is the advance made by Mr. Colquitt. According to Tuesday's returns he was only a little more than 300 in advance of Judge Bell, whereas, Wednesday morning's returns give him 53,965 to Judge Bell's 52,432, a lead of more than 1,500. Mr. Colquitt's gain from Tuesday's returns was 3,600 and Judge Bell's, 2,498. Judge Brooks gained 1,890 and Mr. Campbell 1,426. Mr. Campbell's gain is the smallest, but his majority over Judge Brooks is still more than 15,000. A little consideration of the returns will show that if Mr. Campbell retains his present advantage no two of the other candidates, by combining, could bring about the nomination of either one of the men entering the combination. The contest for lieutenant governor was close. Up to Wednesday morning Davidson only had a lead of 1,065.

In the railroad commissioner's race Williamson leads Storey nearly 6,000.

In the congressional contest Cooper defeats Brooks in the Second district. In the Fourth district Randall leads Barrett nearly 1,000. In the Sixth district Hardy has sixty-one more votes than Henderson. Smith, in the Sixteenth district, is over 1,000 ahead of Cunningham.

Up to Wednesday morning 236,860 votes had been heard from. It has been a hard matter in many precincts to secure returns, election judges, despite provisions of law closing the boxes without giving any returns.

DEMON DEMPSTER.

Delights In Telling of How He Did His Foul Deeds.

Washington, Pa., Aug. 1.—Feeling against the negro, Elmer Dempster, self-confessed murderer of Mrs. Samuel P. Pearce and her two children, continues intense.

"Gus" Patterson and John Hucker, the two negroes accused in Dempster's second confession of the murder and robbery of John Koboda, a wealthy foreman, near Independence last April, have been lodged in jail.

The light-hearted manner in which Dempster refers to his crime is amazing. He seemingly takes delight in telling how he shot down the defenseless Mrs. Pearce and her little children. When the information charging him with murder was read to him in jail, Dempster replied: "I don't want a hearing. I am guilty. Let it go at that."

POSSES SEARCH.

Enraged Men Go Over Three Counties Looking For a Negro.

De Soto, Mo., Aug. 1.—Posses of enraged men ranged over Jefferson, St. Francis and St. Genevieve counties in pursuit of Arch Ransome, a negro, accused of having made an attack at Valley Mines, Jefferson county, on Mrs. Cella Emaloy, Miss Lizzie Moore, aged twenty, and Effie Moore, aged eighteen years. It is believed that Ransome is hiding in this vicinity.

NOTABLE NUPTIALS.

H. H. Sevier and Miss Clara Driscoll United in Marriage.

New York, Aug. 1.—H. H. Sevier and Miss Clara Driscoll were united in marriage at the rectory of St. Patrick's cathedral Tuesday night. The bride is the daughter of Robert Driscoll of Corpus Christi, the "Texas Cattle King." Mr. Sevier is a descendant of Tennessee's first governor. He has resided in Texas since 1892. Rev. Dr. Snrott performed the ceremony.
